Empower your agents

Enjoy all-day comfort, superior audio quality, and built-in control. A better call center experience benefits both teams and customers, ultimately leading to improved business outcomes.

Hear every word

Perfect for busy contact centers, these headsets guarantee clear and distraction-free communication, allowing both parties to hear each other without any difficulty. Thanks to precision positioning and effective noise cancellation.

Noise-canceling mic

Experience richer and clearer conversations with our wideband audio and noise-canceling microphone. Say goodbye to listening fatigue as it reduces strain and enhances the overall call quality.

Unique boom design

Conveniently situated microphone arm stays clear of user's peripheral vision while the unique, extendable boom ensures precise positioning and enables optimal noise cancellation.

Sleek design + materials

Enjoy an elegant, satin finish and slim, stylish design that adds a touch of sophistication. Our headsets feature premium nylon composite materials, ensuring an ultralightweight design without compromising on durability.
